Book Discussions To Go

06/3/2014

Start Your Own Book Discussion Group

A book discussion group can start as simply as inviting a couple of friends or colleagues to get together. If each of you asks one more person, you will be on your way to a regular group.

www.SierraVistaAZ.gov

The Sierra Vista Public Library's *Book Discussion to Go* kits make it easy to get started. Kits include 8 to 16 copies of the book, information about the book and author, sample discussion questions, and tips for starting your own book group.

Kits check out for five weeks.
